Peter Triantos Launching Sensational Augmented Reality Artworks (AR) at SCOPE Miami for their 20th Anniversary!

Dear Friends and Family,

We are pleased to share a lot of great news! Thrilled to announce that our YORKDALE GALLERY has been a huge success. We've been grateful to have met so many amazing clients here and we'd love to see you visit us soon! Spectacular new pieces have moved from Peter's studio to arrive at the Yorkdale gallery.

We are excited to share that our new flagship gallery location will also be opening next month at 21 Avenue Rd, right in the heart of Yorkville. We are pleased to announce that Peter has just finished a greatly successful exhibit of his unique and iconic "Jelly Bean" and "Aphrodite" series' at the Daejeon Art Fair in Korea, and will be launching another major exhibition SCOPE Miami Basel on November 30th. Our booth number is H019. Let us know if you'd like to attend the Art Fair, and we will be happy to send you VIP tickets.

We are thrilled to share that Peter has also starred in a great new "Faith" documentary airing in the Spring, and a special "Trials and Tribulations" episode also airing this Fall! Peter's inspirational MBH Podcast interview was released as well, sharing his journey from being a carpenter, to now an internationally acclaimed contemporary abstract artist. As a true visionary, Peter has been leading the NFT crypto world with UTU and has sold numerous NFTs. We have been also accepting crypto currency as forms of payment.

Peter Triantos was featured on the first page of City Life magazine and on OMNI TV's Star Foodies show again. Peter was also delighted to donate a marvellous piece to CANFAR's "Bloor Street Entertains" annual gala again. We've been receiving great responses for the striking, unique t-shirts Peter designed and released for his sensational Phunkx T-shirts line, incorporating his phenomenal artworks, now available at our YORKDALE GALLERY.

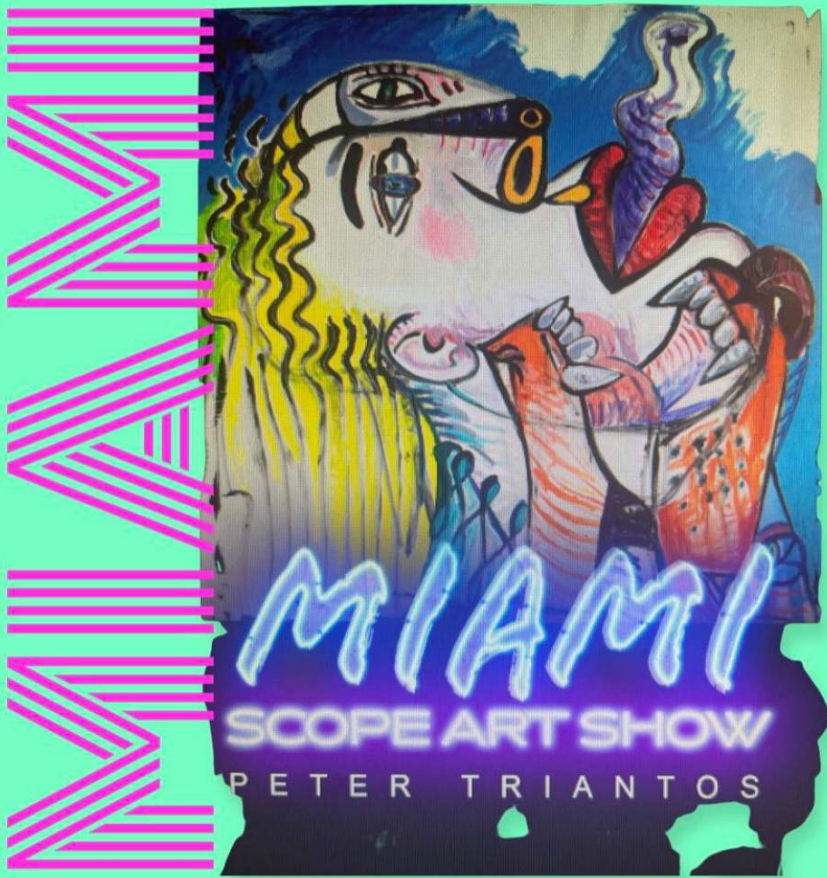

For this year's holiday season, we are excited to announce the upcoming launch of a limited edition Holiday Gift Collection! Fabulous one-of-a-kind "Jelly Bean" art prints on paper, in a 32" x 32" size, will be available for purchase soon for the amazing price of \$500!

Peter Triantos was pleased to donate his marvellous painting 'Mona Manson' to the prestigious silent auction at Bloor Street Entertains again.

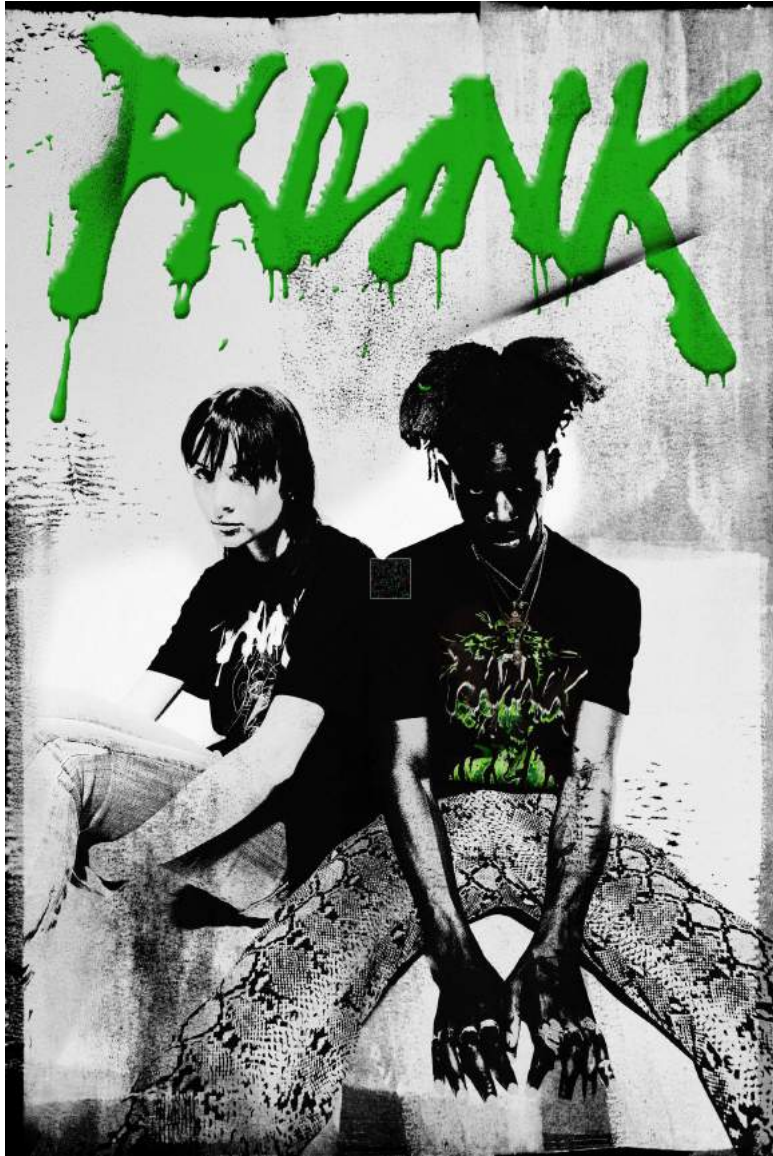

Bloor Street Entertains is Canada's largest fundraising gala in support of HIV innovative research, held by The Canadian Foundation for AIDS Research. This year's gala took place on November 25, 2021. All proceeds support ending the HIV epidemic in Canada.

Over 8 million in funds were raised in the past 22 years, for CANFAR's research and awareness programs. We are honoured to support such a great cause.
